**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am completely satisfied with with the service Cruzio Internet. Unlike the other 2 big providers, I have a set monthly bill that I can budget around. Cruzio's package let me pick exactly what I wanted without having to "bundle" and get other things I don't need. Without having Cruzio as an option, I was just going to stop using the Internet at home. The price gouging was frustrating me too much. It's been a great to have another provider for competition.

YES to broadband competition!
